## OUR MISSION

*Devoted to Jesus Christ as disciples, we help others become disciples, and work to renew our culture.*

May 9, Sixth Sunday of Easter, Formed.org

**Video overview:** This week's Gospel picks up where last week's left off, and we hear Jesus continuing to teach us the metaphor of the vine and the branches. And like last week, the First Reading is an example in the early Church of what happens when we remain on the vine. While this week is certainly a deepening of last week's themes, there is at least one new dimension. In the First Reading, we see another Pentecost take place when Peter preaches the Gospel to the first Gentiles. We see Peter's life bearing much fruit in all of these new believers, but we also see Peter as the head of the Church discerning God's will in that moment. Because Peter, and thus the Church, was attached to the vine, he was able to perceive the new movement of the Holy Spirit to welcome Gentiles into the new covenant. The Catholic Church plays a vital role in our ability to remain on the vine throughout all of history. As new circumstances arise, God has given us the gift of the Church to help us recognize where his love is so that we can remain with him. We know that God does not ask anything from us without giving us the grace to respond, and that grace always flows through his Church so that we can be assured that we are truly following him in all truth.

**Featured study:** *Vita*. Heaven is the final, fulfilled answer to our deepest longing for communion and it needs to be shared with everyone. This Documentary is a stunning and thought-provoking wonder. Enjoy.

## A Mother's Day Prayer

I said a Mother's Day prayer for you to thank the Lord above for blessing me with a lifetime of your tenderhearted love. I thanked God for the caring you've shown me through the years, for the closeness we've enjoyed in time of laughter and of tears.

And so, I thank you from the heart for all you've done for me and I bless the Lord for giving me the best mother there could be!

## LOVE & LIBERTY A Catholic Approach to Sex Ed

Bishop Jaime Soto released a Four-part Plan for Respect Life Ministry. One goal of the plan is to empower the "Domestic Church" to take a more active role in forming their children. The Love & Liberty Campaign is an initiative that involves ensuring that our children are presented with the Catholic teaching and perspective on their sexuality and the meaning of marriage and family. In the Spring is when most public schools teach the sexual education curriculum to middle and high school students.

We will be hosting a parent workshop "Talking to Your Children About Love, Sex and Marriage" and going over the process of parents knowing their rights, how to access material, fill out an 'opt out' form, and provide resources and material that are approved by the Catholic Church.
